

BEHIND THE MIRACLE

Week 7

Healing the paralyzed man through the roof...Mark 2:1-12

1. Describe a time in your life when you've faced a seemingly impossible obstacle or closed door.

Read Mark 2:1-12. The four men carried the paralyzed man, dug a hole through the roof, and lowered the man through the hole to get him to Jesus. Pastor Will challenged us by saying, "Let this story inspire you to think in an unconventional way" when it comes to the obstacles in our lives

2. What would be an entirely new approach--something you haven't thought about before--to an obstacle you may currently be facing?
3. Who do you have in your life that you've been praying for and you would love to see them be introduced to Jesus?
4. What are some challenges you have faced in trying to reach this person?

As a group, spend some time praying for those people by name, that God would open their hearts to hear the gospel. Commit to praying and inviting, no matter how long it takes, and trust that only God can change hearts.
