DISCUSSION QUESTIONS

1. What are you most hopeful for in 2022?
2. What uncertainties are you carrying with you into 2022?
3. Read 1 Corinthians 15:1-8. What does Paul include in his summary of the Gospel?
4. Pastor Will said that the first century people were just as suspicious as we would be regarding the claim that someone rose from the dead. What would be your reaction today if you were to hear about somebody who recently died living again? What would change if you knew people who had seen them die and then saw them alive again?
5. Why was it significant that there were so many eye witnesses who had seen Jesus die and then saw him alive again?
6. Pastor Will taught that what brought hope in the first century, in the middle of intense persecution, can bring the same hope today. Where have you lost hope?
7. Read 1 Peter 1:3. How can you orient your life in 2022 around the living hope we have because of the resurrection of Jesus?
