

# The Gospel

## Part 1

---

1. How would you describe the Gospel to someone?
2. What do you like about the approach to sharing the Gospel that was shared in this video?
3. Could you memorize those 8 words (God loved, God gave, We believe, We receive) and describe what each of them mean to you? If you're in a small group you could even practice this with each other.
4. How do you feel people would respond to this message if you were to share it with them?
