

The Gospel

Part 2

1. Why is it difficult to talk about our faith with others? What would it take for you to feel comfortable talking with them?
2. How can you live your life in such a way that it motivates others to ask questions? Have you ever known someone with this quality? If so, talk about what made that person's life appealing.
3. Who do you interact with (e.g., co-workers, neighbors, gym acquaintances, parents of your kids' teammates) frequently that doesn't have a relationship with Jesus? What next step could you take to invest in that person?
4. Is it worthwhile to have a relationship with a non-Christian, even if you never see them take a step toward Christ? Why or why not?
