DISCUSSION QUESTIONS

1. Pastor Shawn's opening question was this: "Can we call ourselves a believer if we have doubts?" What is your initial response to this question?
2. How have you personally navigated the tension between following God and still having doubts at times?
3. Read Matthew 28:16-17. Does it surprise you that some of the disciples still doubted after seeing Jesus resurrected? Why do you think they still doubted?
4. What questions drive your doubts?
5. What do your doubts say about your beliefs in God's character?
6. What's one truth about God that you could focus your life around?
7. Pastor Shawn said, "It's not that the disciples never had doubt...They doubted and worshiped. They doubted and served. They doubted and helped each other with their doubts." What does God want you to do this week alongside your doubts?
