DISCUSSION QUESTIONS

1. Pastor Shawn talked about "Imposter Phenomenon," describing it as the haunting belief that you are not as smart, kind, tough, good, successful, or as happy as you've led others to believe. Describe a time when you've felt this?
2. When or where have you felt the most courage to make your real self known?
3. Read Hebrews 2:18. What hurt, pain, or temptation have you experienced that you feel like God could never understand? How does it change your perception of the reality of God's love for you to know that there's no hurt or temptation that you've experienced that Jesus has not personally experienced and can help you with?
4. What are the memories you have of some of your greatest experiences? Do you think an experience can be truly memorable if it's not shared?
5. Describe the reality of your day to day world. How does the reality of your world compare to the reality Jesus is inviting us into?
6. What's your view of the Bible...an instruction manual or a love story?
7. What's one thing you can do every day to remind yourself of, and experience the reality of God's love for you?
