

If you've never used Story Cards, you should give them a try! They are a fun way to get groups talking especially as a fun group ice-breaker at the beginning of any group.

Here's all you have to do:

1. Spread the Story Cards out in the middle of the room so people can see them when they first walk in.
2. Ask each person to pick a card that captures their response to one of the questions that follows.
3. Go around the room and have everyone share why they picked the card they did.

Here are some options you can use when you want the conversation to be fun:

- Pick a card that represents your favorite vacation.
