#### **DISCUSSION QUESTIONS**

1. What do you default towards doing when you're in a hopeless situation?
2. Have you ever known someone who obviously needs help, and even says they want things to get better, but when it comes down to it, their actions show that they don't really want to get well or make the changes that will improve their situation?
3. What area of your life has you feeling hopeless? Have you responded to this area like the man in John 5:7, "I can't...I have no one"?
4. If you could stand up and walk out of your current situation, with Jesus' help, what would that look like? What is your responsibility? What will you choose?
5. What step do you need to take today? What is standing in your way of taking that step?
6. How can this group help?

**Application Prayer:** Jesus, I commit to you the area of my life that feels hopeless. I will stand up and walk with you today.
